I met Dr. Kalidas many years ago in one of my seminars and I was won't. But as the years went by, I had no way to predict that Dr. Kalidas was going to save my best friend's life. So, of course, after telling the awful work situation I was in, my health profoundly, I reached out to Dr. Kalidas. What he brought me out of a very difficult situation. There are no words to describe my gratitude to him and his wonderful staff. When skill, knowledge and compassion are fused, life comes to mind. Thank you! Gladys Mitchell
