I want to thank Dr. Kalids and his staff I have been seeing Dr. Kalids for several years now. A few years ago I was diagnosed with a tumor in my Parotid gland. At the time my face was swollen and I had a bump on the side of my face. (left side) When I went to my regular primary doctor at the time, he had told me I need surgery to remove and the possible chemo after surgery. I was so scared and unsure of what to do. I decided to see Dr. Kalidas before going through the surgery to make sure I was doing the right thing. Previously to this diagnose I had Cervical and thyroid cancer. So hearing about my Parotid gland was scary. Dr. Kalida said to give him a chance that he thought he can remove the tumor without surgery. He set up a plan for my with IV's, vitamins and other

things. I followed the plan exactly as he set within months the tumor was gone. The doctor
