MY PERSONAL STORY OF WELLNESS

The mission of The Center for Natural & Integrative Medicine is to provide personal care. We focus on medicine as an art with treatments tailored to *each individual*. We appreciate your loyalty to us and would be grateful for a personal testimonial regarding your journey towards optimal health. You can also go to our website www.drkalidas.com and click the google plus icon and enter your testimonial electronically.

My journey with Lyme, Babesia and other ^{being} health challenges began 14 years ago. After undiagnosed, but very sick for 4 years I began ^{treatment} treatment with an infectious disease MD, ~~to~~ continued in Germany, ~~and~~ with Dr. Semsek and found my bridge to living with Dr. Kalidas & Dr. Amar.

The very individual, medical, compassionate and (w)holistic approach they have with each patient's particular issues ^{what} their body & pocket book can handle ~~and~~ is unparalleled. The Center for natural & integrative medicine is truly an answered prayer. I continue to depend on them to keep me functioning ^{with} the latest

research, ~~but~~ most effective protocols & best integrative care in the nation! If you are suffering I promise they will restore your hope & bring you relief!
