I have been ill since 2009. I had gone to numerous doctors without getting a diagnosis. One visit to Dr. Kalidas and he sent me for extensive blood work & additional testing and he caught the Lyme disease immediately. I have been receiving IV treatments which have been helping me greatly. I know I am being cured! I so appreciate Dr. Kalidas getting to the root of my health problem and his staff of nurses all just terrific! I finally have hope again. Thank you, Thank you all from the bottom of my heart.
