MY PERSONAL STORY OF WELLNESS

The mission of The Center for Natural & Integrative Medicine is to provide personal care. We focus on medicine as an art with treatments tailored to *each individual*. We appreciate your loyalty to us and would be grateful for a personal testimonial regarding your journey towards optimal health. You can also go to our website www.drkalidas.com and click the google plus icon and enter your testimonial electronically.

Dr. Kalidas, Dr. Amar, and their IV team have given me my health back! Suffering from chronic Lyme and relapsing horribly after each pregnancy, their integrative approach including nutritional and ~~and~~ high dose vitamin C IVs have quickly turned my health from being ~~unable~~ barely able to function and get out of bed, ~~and~~ to now being able to fully care for my 3 young children - toddler and newborn included! I cannot say enough great things about this practice. The doctors truly take the time to listen to the patient and strive to get to the root of the problem instead of just ~~prescribing~~ giving prescriptions to treat symptoms. The ~~doctors~~ wonderful nurses in the IV suite have been amazing through out the years. Kind, gentle, ~~and~~ caring, and compassionate. This practice provides it all! I will forever be ~~grateful~~ grateful to this practice for restoring my quality of life.
