

**MY PERSONAL STORY OF WELLNESS**

The mission of The Center for Natural & Integrative Medicine is to provide personal care. We focus on medicine as an art with treatments tailored to *each individual*. We appreciate your loyalty to us and would be grateful for a personal testimonial regarding your journey towards optimal health. You can also go to our website [www.drkalidas.com](http://www.drkalidas.com) and under the testimonial/review tab write a review on google.

My experience in the IV suite has been one of total peace and calm. The soft music and dim lights remove any apprehension regarding the procedure. I found all the staff members to be kind and caring. During my visit I felt totally relaxed and cared for.
