~~Would~~ ~~be~~ ~~an~~ ~~understatement~~. To say this has been lifechanging would be an understatement. He gave me my life back! Every test he did in the first appt had a ~~purpose~~ and not just pushing to make money. purpose

Every appt he took time to actually listen which for most MD's that doesn't happen. He makes you feel comfortable and at ease. His entire team is just wonderful as well.

Knowing that KPV is something I'm always going to deal with should feel scary, but I feel like I have a partner in this w/ Doctor Kalidas.

Since my 1st appt MAY 2nd - to now NOV 4th I'm feeling 75% better and look forward to another 6 months to see how I'll feel then.
